

## OPEN FOR SEALED BID

The Orange Volunteer Fire Company has opened sealed bid for their 1986 Pierce Arrow Wagon 23 served as a front line pumper for OVFC and was replaced in 2007 and removed from service.

**\*\*Great antique restoration opportunity\*\***

**Here is the following information on the unit:**

- Detroit 6V92 350 HP Motor (*currently won't run and needs new fuels lines to make it run again*)
- Waterous Dual Stage Pump – 1500 GPM
- 750 gallon – Steel Water Tank
- Allison Automatic Transmission
- *Brakes have been manually released to move it into the open lot.*
